

Prasanjit Ghosh

Mathematics Student & Aspiring Web Developer

Siliguri, India • abhayghosh750@gmail.com • +91 92420 83963 • github.com/Prasanjit64

SUMMARY

Mathematics student (2nd year) with a growing interest in web development. Learning by building practical projects in HTML, CSS, and JavaScript, and applying the logical, step-by-step problem-solving habits from Mathematics to writing and debugging code. Comfortable picking up new tools independently and looking for opportunities to keep learning.
